About

Finally
managed
to make a
decent
meal.

*My
name is
Kerze.*

Ah, yes,
thank you
very
much!

Shi

A fairy Nebelhaunt
stole from
a traveling circus
troupe. Shi has
the power to
wound.

Nebelhaunt

The magician living in
the Tower of Mists.
He's mostly just
eccentric, and he
leaves the cooking to
his home. When it
comes to his
'collections,' the ends
justify the means.

Schneider

An old friend of Nebelhaunt's.
He's bright and lively, spend-
ing most of his time traveling.
Occasionally, he goes to visit
Nebelhaunt.

Kerze

Nebelhaunt's devoted servant.
Though he'll look like a human
or a cat depending on his
master's mood, he's actually a
candelabrum.

Seren

An old acquaintance of
Schneider, who used to be
freeloud at her parents'
inn.

*In the darkest depths of the forest stands a
tower embraced by walls of fog. There resides
a magician, Nebelhaunt, who makes a hobby
of collecting the world's darkest treasures.
With him lives a fairy, Shi, whom he stole
away for her beauty. The fairy, who had
sworn away her heart, is now painfully aware
of the magician's obsession. What will become
of the inherited magician and the fairy?
Thinking that he'd been betrayed by the
witch he considered a mother, Nebel found
himself unable to trust others and became a
recluse. However, after learning the truth
from Kerze, Nebel managed to overcome the
misunderstanding with Shi's help. The two
seem to be getting closer and closer...*

A taste
of home,
huh...

What...
would
you do?

Hypothetically
speaking, if we
found that
forest,

Oh,

You're
letting me
decide?

Yes.

I...

I'd
like...

...So
you like
him
after
all.

Oh, really?
I totally
thought it
was.

Oh- Oh's
not like
that?

Though I
have to
say, I
think the
lady doth
protest
too much~

He
means...
a lot to
me.

ALRIGHT!
OFF YOU
GO, YOU
LADY-
KILLER!

Right, Okay

... See,
it's that
place
I was
telling you
about

But if
you're
gonna go,
make sure
you get
the timing
right, got
it?

Nebel!

clatter

Sti, this
place is
full of
noisy
idiots.

Let's
go.

nod

nod

The water
from the
forest I used
to live in.

It

The sun

It's
beautiful!

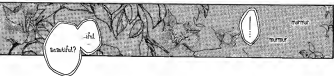

OW!

OW!

Fairies?

Hey, you
Ghosts

I wonder
if you
hate...

What is
beautiful?

Oh, why is
beautiful?

Who
are you,
& human
child in
mist?

I don't
know
where
I'm from.

How-
ever...

Are you
from this
forest?

Volcano
home.

You
smell
like
us.

This Forest
Feels... so
warm.

shaa...

Netzel...

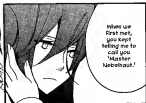

What?

What's gotten
into you?
Don't cling to
me like that.

Netzel.

Netzel.

I...
love you,
Nebel.

You truly are beautiful. And as I've come to know you, you seem ever more radiant.

Ever since I first laid eyes on you, I've been unable to look away.

I
can no
longer
bear to
stay
beside
you...

Nebel,
where are
you...?

Nebel is nowhere to be seen. What on earth is happening?
Find out next time in the series finale!
